Speech and Language Program at IPS – We Need You!

At Irrawang Public, improvement in speech and language is a focus for all of our students. We are re-introducing a speech and language program to be available in all classrooms, with an emphasis on regular short, sharp activities that all students can benefit from.

What do we need from you as a parent/caregiver?
* Volunteers to come into the classroom of a morning, for about half an hour, working with individual students on some speech and language activities.
* You will be taught how to complete and explain each activity before you go into the classrooms.
* Parents/Caregivers/grandparents/Community members are all welcome so please spread the word!

If you are interested in finding out more and possibly being a part of this program, please fill out the slip below and return to the front office by Friday, week 5.

Looking forward to meeting you all soon,

Mrs Stacy Mathieson
